WIND SYMPHONY  
est. 1996

August 19, 2016

Dear Sir or Madam,

For over twenty years now, the Whitehouse Wind Symphony has been attracting experienced musicians as regular members from all over New Jersey and beyond to bring the very best of band music to enthusiastic audiences. It is our mission to provide a high-level playing experience for our players, with emphasis on reading many varied selections from new and old literature, and develop programs that are a challenge to the band and the audience.

Some of our most highly anticipated annual events are our Christmas concert series, our children's concert, and our outdoor summer concert series. This past season, we gave nine performances in the localities of Flemington, Whitehouse Station, Union, Basking Ridge, Branchburg and Clinton. All of these concerts were free-admission, and most served as fundraisers that benefitted other charitable organizations in addition to the Symphony.

Our ability to provide such a high-quality experience for our players while also bringing the performing arts to such a number of different locations is only possible with your generosity. We appeal to you now to consider making a donation to the Whitehouse Wind Symphony. We are recognized by the IRS as a 501(c)(3) tax-exempt non-profit educational association, which means that any donation you make is tax-deductible! Donations of any amount are welcome. Please consider contributing at one of the following levels:

<b>\$25 - \$74</b>	Friends' Circle
<b>\$75 - \$149</b>	Director's Circle
<b>\$150 or more</b>	Founder's Circle

For each, your name will be listed in all of our programs for that season, beginning in September, under the title that signifies the amount of your donation. In order to make a donation, please fill out the short form on the next page and send it to our **new permanent** address listed below, accompanied with a check made out to "Whitehouse Wind Symphony." We also welcome gifts that are matched by employers. We are also hoping to offer options for electronic/paperless giving this season; please visit our website or Facebook page soon for more information.

Of course, monetary donations to the band are only one way to support the mission of the Whitehouse Wind Symphony. To learn more about other fundraising and volunteer opportunities with the band,
